

To whom it may concern:

I have been made aware that it is a possibility that K-Love may be forced off the air. This would be a great disservice to the community.

As a Christian, this is the only radio station I listen to as well as a lot of other Christians. This radio station is also valuable to the general public because it is the only radio station around with a positive message. I never have to worry about what my child may be hearing on the radio and the music is uplifting and positive. It is a great encouragement to many people.

Please reconsider taking K-Love off the air. They are doing a wonderful service to their community. We would be lost without them!!

Thank you
